

B.MILLS

ELECTRONIC PRESS KIT · 2026

CURATOR · DJ · ATMOSPHERE

Less talk. *Better music.*

Music direction and live DJ sets for corporate events, brand activations, galas and after parties. New York City based, booked by brands and planners who care how a room feels, not just how it sounds.

DJBMILLS.COM BOOKINGS@DJBMILLS.COM @DJBMILLS

Music that *fits* the room.

Every set is built from scratch for the room, the guests and the run of show. No standard tracklist, and a clean presence on the microphone only when the moment needs it.

Four rooms, four different briefs.

B.MILLS at the New York Philharmonic Fall Gala, David Geffen Hall, Lincoln Center.

1

New York Philharmonic · Opening Night After Party

RAINBOW ROOM · SEPTEMBER 2026

The Philharmonic opened Gustavo Dudamel's first season as music director at Radio City Music Hall, then crossed the street to the Rainbow Room. B.MILLS DJed the after party, with a surprise set from Mark Ronson during the night.

2

Gagosian · Avedon 100 Opening Party

BOOM BOOM ROOM · THE STANDARD, HIGH LINE

An international crowd of artists, designers and curators. Conversation came first, then the room opened into a late night dance floor. Coverage of the night ran in Vogue and Vanity Fair.

3

Boys & Girls Club of Greenwich · Annual Benefit

GREENWICH, CONNECTICUT · SEPTEMBER 2026

A black tie benefit with a 007 theme, Shaken, Not Stirred. Cocktail hour, a live auction with paddles in the air, then a dance floor that kept moving to the end of the night.

4

1800 Tequila × Dustin Yellin · Artist Bottle Launch

BRAND RECEPTION · PIONEER WORKS, BROOKLYN

A gallery room built around Yellin's glass installations. Rare soul cuts and modern textures, present enough to move the room, restrained enough to leave the art in front.

In good *company.*

B.MILLS

BOOKING

Booked by name, *not a roster.*

One point of contact from first call to last song. What planners and marketing teams get when they book B.MILLS directly.

- A planning conversation around the brand, the guests and the run of show
- A set built from scratch for that room, shaped live as the night moves
- Coordination with venue AV and production teams ahead of the event
- Certificate of insurance ready on request, $1M per occurrence and $2M aggregate general liability
- Reply within 24 hours, and a setup that fits the room, from house systems to full production

> *"The jams, the vibes, were all on point. Countless folks came up to us praising the tracks you were playing."*
